June Coffee at Linda O’Brien’s Home
President’s Message

Can you believe that summer is over and fall is upon us? Your Board has been working very hard during the summer to set up a fantastic year! Please see the listing in the newsletter for our luncheon venues and guest speakers for September, 2015 through May, 2016. However, with this information being published so far in advance, it is possible that we will have to make some changes...stay “tuned”. Our new directory will be available in September, and it will be a great resource to get to know our members. If you have not paid your $20.00 annual dues for the 2015-2016 year, please send them ASAP to Gail Berger. Remember that our mission statement is to provide new friendships, a variety of activities, pleasant social contact, and a welcome to women in the area. We have so many opportunities for activities, and all activities are open to all members. If you know of anyone who would like to join us, please bring them to one of our activities and introduce them.

Also, our club is able to offer so many activities due to our wonderful members who volunteer to organize and/or host them. Please consider volunteering for one of our activities. Without our members' help, we would not be able to offer so many opportunities.

In 2016 we will celebrate our 40th anniversary! In January we will feature a look back at those 40 years at our luncheon. We will be looking for a few volunteers to plan this “walk through memory lane”.

Member Autobiography

Nan Galligan

I was born and raised on the East Coast in Westfield, New Jersey and moved to Middlebury, Vermont for my senior year of High School. I attended the University of Vermont freshman year then transferred to the University of Colorado, Boulder and graduated 1977. I have 2 sons, 26 and 23. My oldest son graduated from CU Boulder and is a realtor like myself and does IT web design. The younger one graduated from the School of Mines in 2014 and is an engineer. I lived in Boulder for 8 years then moved to Parker in 1983.

I came to Colorado for college and also because I am an avid skier and wanted to be able to ski in the Rockies.

I love Colorado, the weather, the people, the mountains. I just wish we had an ocean!!!

I am very involved with sports. I ski, play tennis, am on a women's soccer team, and I am a licensed Grade 8 National Soccer Referee. I have horses at my house, so I ride frequently. I love all outdoor sports. I have been a REALTOR for the past 28 years, so am very active with my business. I found Parker Newcomers thru the Eskimo Ski Club of which I am a member.
