President's Message

HAPPY VALENTINE’S DAY AND HAPPY PRESIDENT’S DAY!
Wasn’t our 40th anniversary celebration FABULOUS?!!? Kudos to everyone for such a successful and fun event! Maybe we should celebrate Parker Newcomers Club’s anniversary more often than every 40 years!
In last year’s newsletter I talked about Valentine’s Day, so in this newsletter I thought I would talk about Presidents’ Day. The story of Presidents’ Day began in 1800 following George Washington’s death in 1799. His February 22nd birthday became a perennial day of remembrance. Through most of the 1800s it was an unofficial observance. In 1879 President Rutherford B. Hayes made it an official federal holiday, but it was only observed in the District of Columbia. However, in 1885 it was expanded to include the entire country. Washington’s birthday was the first nationally recognized holiday to celebrate the life of an individual American. (Martin Luther King, Jr. Day was the second in 1983.)
Washington’s Birthday became Presidents’ Day in 1968 and took effect in 1971. At that time it was moved to the fixed date of the third Monday in February, much like Memorial Day and Columbus Day had become specific Mondays. The official name change from Washington’s Birthday to Presidents’ Day was established to recognize the lives and achievements of all of America’s chief executives. So, Happy Valentine’s Day and Happy Presidents’ Day!

We sent a get well card to Marty Gathers who had surgery in December. Marsha (Bunny) Krett is having surgery on January 18th and we wish her a speedy recovery. A card was sent to Nancy Sammons who broke her foot.

It’s with great sadness that we learned of the death of Marsha Lessar’s husband, Gene. Our love and condolences go out to her and her family.

Member Autobiography
Lynn Eisenthal

I was born at St. John’s Hospital in Santa Monica and spent my early years being raised in Venice, California. I went to elementary school and Junior High School in Venice and graduated from Venice High School. I spent most of my years in California as a grocery checker at various markets, Ralphs, Mayfair and Hughes. I met my husband, Jeff in 1972 when we both worked at Mayfair Market in Hollywood. We were married in 1973 and spent the first few years in an apartment in Hollywood. We moved to Canoga Park and then Agoura Hills before moving to Colorado in 2005. The winter of 2005 was very mild and we thought this isn’t so bad. In 2006 we got the back to back blizzards at Christmas and we thought: “what the heck did we get ourselves into”? We have two wonderful sons, one who lives here in Parker and one who lives in San Diego. We moved to Colorado because our daughter-in-law’s 3 sisters moved here and she missed them. My son said they were moving and asked us to move as well. We love Colorado, although I am not crazy about the cold. Family and our friends keep us here. We have met so many wonderful people since we moved here. I enjoy playing cards, which is much harder to do now that I went back to work at Walmart.

Well, I have the solution…your closet! Yes, that’s right, look through your closet for all those cool things we saved. I tried to find my go-go boots, but no luck, so I will be wearing my poodle skirt. Start planning now, and we will be the talk of the town in our resurrected outfits.
